The Corporation may recover from an owner by an action for debt in any court of competent jurisdiction any sum of money which the Corporation is required to expend as a result of any act or omission by the owner, his servants, agents, licensees, invitees or tenants, which violates these by-laws or any rules or regulations established pursuant to these by-laws and there shall be added to any judgment, all costs of such action including costs as between solicitor and client. Nothing herein shall be deemed to limit any right of any owner to bring an action or proceeding for the enforcement and protection of his rights and the exercise of his remedies.

Any owner or tenant or other person residing in a residential unit to which these by-laws pertain who contravenes anyone of the provisions of this by-law shall be subject to a fine or fine, to be assessed by resolution of the Board, in an amount not less than \$100.00 and not more than \$1,000.00. The Board is entitled to utilize the powers outlined in sections 30 to 36 of the Act. The commencement of an action against a person under this by-law does NOT restrict, limit or derogate from any remedy that any owner or the Corporation may have against that person.

Any such fines and costs incurred and assessed as against an owner arising out of a by-law infraction, shall be considered as unpaid assessments, and shall be collected in accordance with the provisions of By-Law 48 including the filing of a lien against the unit owned by the offending owner.

If there has been substantial damage the Board shall convene an extraordinary general meeting and give at least ten (10) days' notice thereof to all registered first mortgagees. Unless there has been substantial damage and the owners by special resolution resolve not to proceed with repair or restoration within one hundred (100) days after the damage or destruction, the Board

shall arrange for prompt repair and restoration using proceeds of insurance for that purpose. The obligation to repair hereunder is mutually exclusive of the general obligation to maintain and does not include the repair of improvements made to any unit by any owner after registration of the condominium plan. The Board shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments. Any costs of such repairs and restoration in excess of the insurance proceeds shall constitute a common expense and the Board may assess all the unit owners for such deficiency as part of the common expense.

Where there has been substantial damage and the owner or owners resolve by special resolution within one hundred (100) days after the damage or destruction not to repair, the Board shall on behalf of the owners make application to terminate the condominium status of the parcel in accordance with the provisions of the Act, and each of the owners shall be deemed to consent to such application. Upon termination of the condominium status:

{b) No owner shall be entitled to claim any compensation from the Corporation for any loss or damage to the property or person of the owner arising from any defect or want of repair of the common property or any part thereof.

(d) An owner shall indemnify and save harmless the Corporation from the expense of any maintenance, repair or replacement rendered necessary to the common property or to any unit by his act or omission or by that of any member of his family or his or their guests, servants, agents, invitees, licensees or tenants, but only to the extent that such expense is not met by the proceeds of insurance carried by the Corporation.

(a) Fire insurance with extended coverage endorsement insuring the common property and all of the units (including the bathroom and kitchen fixtures, installed by the Developer therein, but not including furnishings or other personal property installed by unit owners) for the full replacement value thereof, without deduction for depreciation, and covering the interests of all owners and their mortgagees and the Corporation, as their respective interests may appear and each policy shall provide for a separate loss payable endorsement in favour of the mortgagee or mortgagees of any unit against which a mortgage is registered, and, if possible each policy shall provide that the proceeds on loss are to be paid, and the mortgagee or mortgagees shall assign the proceeds of insurance, to the Board as trustee for the mortgagees and owners as their respective interests may appear;

Prior to obtaining any policy of fire insurance or any renewal thereof and at least annually, the Board shall obtain an appraisal from a fire insurance company of the full replacement value of the buildings including all of the units and the common property.

Exclusive authority to adjust losses and settle proceeds under policies hereinafter in force in the project shall be vested in the Board or its authorized representative.

In no event shall the insurance coverage obtained and maintained by the Board be brought into contribution with insurance purchased by Owners or their mortgagees.

The Board shall also obtain and maintain public liability insurance insuring the Board and the owners against any liability to the public or to the owners and their invitees, licensees or tenants, incident to the ownership or use of the project. Limits of liability under such insurance shall be not less than \$500,000.00 for anyone person injured or for anyone accident and shall not be less than \$1,000,000.00 for property damage per occurrence. The limits and coverage shall be reviewed at least annually by the Board and increased in its discretion. The policy or policies shall provide cross liability endorsement wherein the rights of a named insured under the policy or policies shall not be prejudiced as respects its, his, her or their action against another named insured.

Each insurance policy shall provide for:

(i) a waiver by the insurer of its subrogation rights against the Corporation and the owners, except for arson and fraud;

(ii) a waiver by the insurer of any defense based on co-insurance or of invalidity arising from the conduct of or any omission or act or breach of a statutory condition by any insured;

(iii) a waiver of the insurer's option to repair, rebuild or replace in the event that after damage the condominium status is terminated.

A certificate or memorandum of all insurance policies and endorsements thereto shall be issued as soon as possible to each owner and a duplicate original or certified copy of the policy to each registered mortgagee; renewal certificates or certificates of new insurance policies shall be furnished to each owner and renewal certificates or certified copies of new insurance policies to each registered mortgagee not later than ten (10) days before the expiry of any current insurance policy.
